PROFESSIONAL EXPERIENCE

Web Developer | Beyond Ads Sep 2025 – Dec 2025

- Independently designed and developed the company's responsive marketing website from scratch using HTML5, CSS3, Bootstrap and JavaScript.
- Created and refined website visual assets using Photoshop and AI-assisted image generation where appropriate.
- Redesigned and prototyped a multi-page hospital website in Figma for a client project, organizing departments, patient services, specialties and appointment-related flows into a clearer interface.
- Worked on WordPress website development for a digital marketing business and used Git/GitHub and AI-assisted tools to support implementation and troubleshooting.

Freelance Graphic Designer | Independent Apr 2023 – Aug 2025

- Created digital and promotional designs for advocates and small businesses using Photoshop, Illustrator, Canva and Figma; managed requirements, revisions and final delivery independently.

Senior Customer Service Executive | Ferns N Petals Jul 2020 – Mar 2022

- Handled high-volume customer queries and service issues, strengthening communication, problem-solving and client-handling skills.

Sales Associate / Sales Executive | Paisabazaar Jul 2018 – May 2020

- Worked in a target-driven financial-services environment, building customer needs assessment, communication and follow-up skills.
